Workshop

Department of BCA organized workshop on "Adobe Photoshop" for the II year and I year BCA students on 27-09-2017 at 11.30 A.M.

Objective of the program: To give the knowledge for students on how to manipulate images to improve their overall appearance and makes photo editing easy and efficient.

Outcome of the program:

Students are happy about the program and they got hands on experience on how to use Adobe Photoshop" software for editing the image, creation of the certificate and banner design.

The details are follows:

Department of Computer Applications organized a workshop on "Adobe Photoshop" on 27-09-17.

The welcome speech was given by Ms. Sabitha. S, HOD, Department of BCA. The session was handled by Mr. Binesh S. Exposure Photography. In the session, he introduced the Adobe Photoshop and also discussed the need and the applications of Photoshop. He had concentrated mainly on certificate and banner design.

The session was very interactive in which the students participated actively. The theory session was followed by the practical session. In the practical session students were given various assignments like image editing, creating graphics etc. The students got hands on experience. The session was very interesting and informative. Total 20 selected students from 2nd and 3rd years had attended the program
